

Enigma (A maj)

It's not what you say, It's not what you do
It's not the way that you look at me, and see clear through
If there was a way, to get away from you
I'd take it, I'd smoke it, I'd shoot it,
I'd drink it, and forget about you
I don't know why, I fell for you
You don't know why you do what you do
If these walls could talk, they'd probably lie
If I had eyes on the back of my head
You wouldn't see me cry,
But if there was a way, to get away from you
I'd take it, I'd smoke it, I'd drink it, shoot it
Forget about you...
(chorus)

Helena

(D maj)

I never had a chance with you
I should have never listened to you
But you said "I love you" too
I'm a fool for telling you
I will always wait for you
You left me with one glass shoe
Lonely, missing you
Now you're off in a foreign land
Now you're off with another man
I'd thank you for letting me go
But you never even told me so
(chorus)
(instrumental verse)
So I light my cigarette
And tell you off like I haven't done yet
Think of things the way they were
(chorus x2)

Unbelievable (F# maj)

Blood runs straight to the place where you held me
and with a wave of your hand
Chills from the lie that you told me
with a wave of your hand
I understand that you're going
as you drive away
How can it be... you take after me?
I've never seen this before... no, until you... gave it to me
You were making your way through a hard time
Just making your way
Pining away for the old times,
just pining away
Carry the burden of all those lies,
all of the lies
(chorus)
(instrumental verses)
(chorus)

Shine (Bb maj)

Shine, shine on
I want you to shine, shine, shine on
and be your own one
Cause you know there's something better, on the other side
Cry, cry my little one
I want you to cry, cry cry cry
out of your own eyes
Cause you know there's something better, on the other side
(instrumental verse + chorus)
Die, you know you gotta die
you're gonna die, die, die
by the hand of your own gun
But you know there's something better, on the other side
(instrumental verse + chorus)
Shine, shine on
I want you to shine, shine, shine on
and be your own one
Cause you know there's something better, on the other side

Lullaby

(A maj)

I heard this song on the radio
It reminded me of you
Talked about his woman left him
Left him only with the blues
Such a song, such a tune
Well it's the same old doodle dee doo...
Now I'm singing it too...
Zeet dot deet dot zeet dot dee dot doo
I'll take my time just getting to know you
to get a fell for you by my side
and long before I will adore you
I'll contemplate this lullaby
(chorus)
(instrumental verses)
(chorus)

I dreamed I was flying (F maj)

Another story lines a yellow page another soldier leaves his name, another grave
wives and lovers, poets and wretches sing softly the lamentations of the age

While I... dreamed I was dying

the painter staring at an empty wall selling all colors in his head

palms sweaty, hands shake at his sides while the ground trembles everywhere

While I... hear him crying

then a young girl with eyes over simplified holding on to life by a thread

black leather boots, a red negligee crawls to the foot of my bed

And I... dreamed I was flying

(Instrumental verse + chorus)

Surely all will be remembered now yeah, but nothing's so clear

only your naked body drenched in understanding with your heart bleeding fear

But I... still feel like trying

Yeah, I... still feel like trying

Suspicion**(A maj)**

Who is that girl? What is she doing here with you?

Why do I try? Why do I try?

You'll only throw some more mud in my eye

(Break)

No don't go, please do not go

and if you stay then I'll give you a bone

there must be a way, to see this another way

a picture of you, that I'd never take

(Break)

who is that girl? What is she doing here with you?

Why do I try? Why do I try?

You'll only throw some more mud in my eye

there must be a way, to see this another way

a picture of you, that I'd never take

(Break + instrumental verse)

Senorita (D maj)

When will you come home?

When will you be free?

I will drink the salty sea

if it will change the waves and

bring you back, home to me

Mia Familia (G maj)

You send me packing for worlds you don't know
You say you'll miss me, but you make me go
The waiting is over, the words cast in stone
and I can't be measured by this
no, I can't be measured by this

(Instrumental verse)

You say come on now, but come along slow
but you criticize me for going alone
the waiting is over, the words cast in stone
and I can't be measured by this
no, I can't be measured by this

(Instrumental verse)

You sent me packing for worlds you don't know
you said you'll miss me, but you made me go
the waiting is over, the words cast in stone
and I can't be measured by this
no, I can't be measured by this

Joy **(B maj)**

Fever rises from the bottom of a man
to feel joy, touch him on the hand
in the silence of a love that never made it
to feel joy, touch him on the hand
Nearly made it out alive... Really made it just in time
to say goodbye, goodbye...
(Instrumental verse)
Nearly made it out alive... really made it just in time
to say goodbye, goodbye...
Say goodbye, goodbye

Changes Come

(D maj)

I have always been this way... been this way... you told me so
now I'm thinking about the day... about the day... you told me so
who can say they know your reasons... maybe ghosts inhabit you
maybe pain has paid a visit... or running out has worn you through
If it's over I can take it

Just don't say you'll never go

To that place outside the city

Oh no, no, no, no...

Now I take what I can get... and hear you sing to someone else
I hold my head and close my eyes... and I can feel you take a breath
to see you here now right before me... in this way, you're so far away
underneath your private light... where you cry for happiness

(chorus)

Now I see a river forming... on the edge of your squinted eye
I can feel your laughter shaking... and recall my time inside
when you were once so full of wonder... that your eyes barely fit
with a smile that overtook you... and joy... you were lost in i

(chorus x2)

Maybe Baby (F maj)

I look in the mirror of my yesterday
and I see where I went wrong
I take the long way around the question
remember how it hurts to be alone
Baby... maybe you believe
That I wanted it this way... well, maybe
and I hear it in your voice
you seem to feel that I have made a choice
be that so, I'll have you know
I tried it once, and I can't let you go
(chorus)
(instrumental verses)
(chorus)
I look in the mirror of my yesterday
and I see where I went wrong
I take the long way around the question
remember how it hurts to be alone

Syracuse

(F maj)

Take that ring from off your finger, take of that little ring
I will take the rope from my arms and leave all this misery
I am done and the place I have come from looks like it's calling me
yours is not the same as mine, you leave me no hope
That's not to say that I'm glad you're away, we never talk anyway
I will go back to my room in the corner where you don't accompany me
people will say what a wonder you are and how cruel, he sent you away
you'll never get caught with your feet in the mud, you could be skating away
Nothing really has changed but I will not be the same
The wind will blow all the leaves to the ground
I will be here in this town
(intrumental verses)
People can take whatever they want to, I never asked you to stay
I live my life on the road to discovery, surely as night follows day
my blood runs warm as sure as you're born, never mind what everyone says
sure as you're born we'll be singing this song as the years have worn heavy on you

(chorus x2)

Orphaned

(E maj)

He can't love you, like I love you
and I can't love you, like you want me to, I know
Well he's old and cold, and don't show no remorse
I'm gliding across the floor to you, to tell you I'll do more
Please talk to me, I need your company right now
Don't you leave me here, oh no, no, no, no...
I remember, when you went away
your hair falling all around your sad face
as you said to me to go your own way
the words came out alright, but left so much more to say
if you listen close, you will hear my heart say
don't go, don't go... don't you leave me here alone
yes if you listen carefully, you will hear my heart say
don't go, don't go... don't you leave me here alone
(chorus x2)

VIRGO (Bminor)

NOW WHAT WOULD YOU SAY IF I GAVE IT ALL AWAY TO YOU?
WOULD YOU LOOK ME IN THE FACE AND TELL ME IS THAT ALL YOU CAN DO?
ITS LIKE A FOOD THAT YOU EAT OR A PERSON THAT YOU MEET OF YOUR OWN
NOTHING IS THE SAME UNTIL YOU SEE IT FAR AWAY FROM YOUR HOME
BUT IS THERE ANY PLACE THAT A MAN CAN GO?
WHERE HE DOESN'T HAVE TO WORRY ABOUT LOSING HIS LOAD
HEY VIRGO, WHAT DO YOU KNOW?
YEAH VIRGO, WELL WHAT DO YOU KNOW?
LONELY... SO LONELY OH
YOU ARE CAUGHT IN A CHILDHOOD LEFT ON THE FIRE TOO LONG
IT'S LIKE A GAME THAT YOU PLAY WITH MY HEART AND I'M ALWAYS BLUE
BUT NOTHING IS THE SAME UNTIL YOU SEE IT FAR AWAY FROM YOU
BUT IS THERE ANY PLACE THAT A MAN CAN GO?
WHERE HE DOESN'T HAVE TO WORRY ABOUT ONE STEALING HIS LOAD
HEY VIRGO, WHAT DO YOU KNOW?
YEAH VIRGO, WELL WHAT DO YOU KNOW?

THROWING MISSILES (E)

I DIDN'T KNOW WHAT YOU WERE THROWING AT ME
I DIDN'T KNOW THAT YOU WANTED TO BE FREE
FROM ALL OF THE DAYS YOU SAID IT LOOKED LIKE RAIN
I NEVER HEARD THE SOUND OF YOUR PAIN
WHEREVER YOU NEED, THAT'S WHERE I'LL BE
WHEREVER YOU NEED, THAT'S WHERE I'LL BE
SO MANY HAVE FALLEN THAT I CAN'T COUNT
NOW ONLY YOU, FLOATING OVER THEM ALL
NESTLED IN YOUR TRUTH, ALONE IN YOUR PRAYER
YOU LEAVE ME ALONE, LEAVE ME EVERYWHERE
WHEREVER YOU NEED, THAT'S WHERE I'LL BE
WHEREVER YOU NEED, THAT'S WHERE I'LL BE

ARGUMENTS (D mixo - SO: G)

CONSUMMATED, NOW GET YOUR MONEY
LOVER BABY, COME GET YOUR MONEY
YOU'RE LIBERATED, AND YOU THINK THAT'S FUNNY
SO AFRAID, WHERE ARE YOU RUNNING?

A minor 9

EMACIATED, THAT'S WHEN YOU'RE HUNGRY
REACHING OUT TO PULL THEM DOWN WHAT ARE YOU HIDING?
YOUR EYES, FEED ON DARKNESS
WHERE YOU GONNA FEED, WHEN THE LIGHT IS SHININ
CONSUMMATED, NOW GET YOUR MONEY
LOVER BABY, COME GET YOUR MONEY

DELIA (Eminor)

I HAVE WEPT FOR THE PIECES I'VE FORGOTTEN
THAT SAILED AWAY ON LAUGHTER
INTOXICATED, SORROWS MELTED, SATURATED
AND FELL LIKE RAIN OVER ME

DELIA..... (4 X)

I LIVED MY LIFE LIKE A BLIND MAN SEEKING SOLACE
TO ONLY FEEL WHAT I HAD KNOWN
TILL THEN ONE DAY IT CAME UPON ME
THAT I HAD NEVER BEEN AWAKE

DELIA.... (4 X)

I HAVE WEPT FOR THE PIECES I'VE FORGOTTEN
THAT SAILED AWAY ON LAUGHTER
INTOXICATED, SORROWS MELTED, SATURATED
AND FELL LIKE RAIN OVER ME

DELIA..... (4 X)

DELIA.... (4 X)

NO BLUES (G)

THEY SAY THE WEATHER'S GETTING BETTER ALL THE TIME
THEY SAY THE BEAUTIFUL WILL NEVER DIE
AND MAN, I DON'T NEED NOBODY ELSE TO TAKE ME HOME
I'VE GOT A PLACE OF MY OWN
THERE YOU GO AGAIN WITH THAT LOOK IN YOUR EYE
I NEVER TRUST SOMEONE WHO CAN SO STRAIGHT FACED LIE
TO SAY THAT TO LOVE YOU WILL MAKE EVERYTHING ALRIGHT
MAN, I DON'T NEED NOBODY ELSE TO TAKE ME HOME
I'VE GOT A PLACE OF MY OWN
THEY SAY THE WEATHER'S GETTING BETTER ALL THE TIME
THEY SAY THE BEAUTIFUL WILL NEVER DIE
AND MAN, I DON'T NEED NOBODY ELSE TO TAKE ME HOME
I'VE GOT A PLACE OF MY OWN
MAN I DON'T NEED NOBODY ELSE TO TAKE ME HOME
YEAH I DON'T NEED NOBODY ELSE TO TAKE ME HOME
NO I DON'T NEED NOBODY ELSE TO TAKE ME HOME
I'VE GOT A PLACE OF MY OWN

FALLING (C major)

LOOKING OUT THE WINDOW I THE MORNING
IT JUST DOESN'T LOOK THE SAME
TRYING TO KEEP MYSELF FRM FEELING
BUT IT WOULDN'T GO AWAY
I CANNOT FIND MY FEET WHEN I AM CRAWLING
EVERYTHING IS STILL I'M ONLY FALLING
MY HANDS CAN'T SEEM TO KEEP A HOLD OF NOTHING
STILL THEY'RE REACHING OUT FOR YOU
EVERY TIME YOU PASS RIGHT THROUGH ME
AND I DON';T KNOW WHAT TO DO
I CANNOT FIND MY FEET WHEN I AM CRAWLING
EVERYTHING IS STILL I'M ONLY FALLING
(rpt first verse and chorus)
